### **MALLORY CONTROLS - INDUCTUNER<sup>®</sup> PRODUCTS**

#### **Inductuner<sup>®</sup> Reference Data**

We manufacture and distribute **Mallory** products.

Mallory Inductuners have been manufactured for communications, test and measurement applications since the 1940s, supplying the Military and Industry.

Inductuners are available in VHF and UHF ranges in up to 8 gang configurations.

Our controls have been supplied to industry and the military for more than 70 years. We have an extensive catalogue of stock parts and will make custom parts for OEM applications.

We have provided a list for your reference, and ordering part numbers for some of these products.

In addition to Inductuners, DuraCap also manufactures a complete line of Mallory wirewound potentiometers, rheostats, audio attenuators, rotary selector switches and Mallory aluminum electrolytic capacitors.

If you have questions, our sales and technical staff are available for consultation.
