SERVICE CAPACITORS

We are Mallory - DuraCap International Incorporated.

DuraCap manufactures a full line of Mallory aluminum electrolytic capacitors. Our primary products are “Extreme Application Photoflash”, Type EAF, “Extreme Application Power”, Type EAP, “Extreme Application Welding”, Type EAW, and “Extreme Application Strobe”, Type EASB.

Our capacitors have been supplied to the Photo Flash industry for more than the past 25 years. We continue to provide a high quality product for such names as Balcar, Bron Color, Calumet, Dynalite, Lumedyne, Novatron, Photogenic and Norman, as well as others.

We have provided a list for your reference, and ordering part number for some of the more common service capacitors required for the repair of photo flash equipment.

If you have technical questions, our engineers are available for consultation.
